

2007 OL 400 VIP Specifications

Builder/Designer
Ocean Limo

Specifications

Hull length	40'
Beam	16'
Hull Draft	3'
Displacement	20,823 lb
Fuel	450 gal.*
Consumption	20 gal/hour*
Power Twin	Yanmar 440 hp
Cruise	30-32 knots*
Sprint	40 knots*
Water	100 gal.*

*approximate measure

Hull

- Advanced Composite Construction
- Ten-year transferable structural warranty
- High tech weight saving composite structure using Premium Epoxy Resins throughout
- Infused Epoxy resin sandwich around a balsa core, Aircraft Grade
- Combination of e-glass, Kevlar and carbon fiber
- Solid fiberglass chine, center demihull line and all hull penetration areas
- Lightweight Advanced Corings
- High performance UV resistant exterior gelcoat
- Stringer System, Reinforced, Closed Cell Fiberglass
- Boot striping - choice of colors
- Bottom paint complete preparation - 2 coats epoxy, 2 coats anti-fouling paint, standard black, unless otherwise specified
- High Density Rub Rail with Stainless Steel Insert

Mechanical

Air Conditioning System

- Multiple zone air conditioning system with air handlers and thermostats for each zone; reverse cycle heating; touch pad controls
- Insulated copper piping supply and return lines
- Individual head exhaust fans

Bilge System

- 24 VDC automatic bilge pumps (1 aft, 1 fwd, 1 engine room)
- 24 VDC high-water alarm (1 aft, 1 fwd, 1 engine room)
- Two (2) Emergency bilge pumps, engine driven
- Bright white bilge and engine room, gelcoat
- Bronze high speed water intake scoops with integral sea water strainers
- Double hose clamps on all hose fittings where possible, stainless steel
- Metal braided fire-retardant fuel lines
- Bonding system with transom zinc plate
- High water bilge alarms

Black Water System

- Headhunter toilets
- Holding tank level indicator with warning lights, macerator and dockside discharge
- Dockside and pump out overboard

Grey Water System

- Sump box w/pump, 24V-shower/drains
- Sump box w/pump-air conditioning condensate drains

Control & Instruments, Main Engines

- Engines display
- Station transfer panels
- Shift & throttle controls, electronic with engine sync
- Electronic steering
- Key switch start/stop

Engine Room

- Epoxy coated engine room, white
- Flooring, metal diamond plate
- Engines control panel
- Freshwater hose & spigot
- Powered ventilation system
- Engine room blowers (2) 24 DC
- Engine alarm system
- Bronze high speed water intake scoops with integral sea water strainers
- Double constant torque stainless steel clamps on all engine exhaust hoses
- Double hose clamps on all hose fittings where possible, stainless steel
- Engine room lights, DC

Fire Extinguishing System

- Fire suppression system – automatic with engine shutdown, override and manual pull
- Carbon monoxide detectors in crew cabin and master head

Electrical Systems

Exterior Lighting

- Overhead lights aft deck
- Navigation Lights
- Exterior deck lights
- Aft deck

Generator

- Kohler diesel with sound shield (low RPM)
- Remote start with muffler, freshwater cooling, fuel filter
- Seacock and seawater strainer

Interior Lighting

- Overhead halogen lighting throughout (low voltage ac)
- Emergency 24 volt DC lighting

Wire and Cables

- All wire to approved specifications
- All cables marked with circuit number
- Wire chase runs throughout
- Ground fault circuit interrupter receptacles throughout boat

Main Deck Outfitting

Anchor and Anchor Handling

- Bow chocks, stainless steel
- Bow cleats, stainless steel
- Chain locker with fender storage
- Custom deck rails, highly polished stainless steel

- Molded-in non-skid surface
- Premium quality molded-in white gelcoat finish
- Spring line cleats, stainless steel
- Stern cleats, stainless steel
- Stern hawse pipes, stainless steel
- Windlass, heavy duty DC electric, for rope and chain remote from bridge switches
- Self bailing cockpit scuppers
- Anchor, stainless steel
- Anchor chain storage in forepeak locker
- Anchor chute, stainless steel
- Windlass, chain with controls
- Recessed custom stainless steel anchor roller assembly

Deck Hardware

- Air Horn
- Windshield wiper system 24 v DC /pantograph type with washer system
- Custom bow, spring and stern cleats, stainless steel
- Stainless steel rails on main deck
- Bulwark boarding doors port and starboard
- Teak aft deck and swim platform deck

Doors and Hatches

- Weather-tight engine room access
- Crew access hatch
- Foredeck access hatch
- Stainless steel aft main salon sliding door
- Sliding hydraulic hardtop

Windows

- Main deck windows are tinted glass, laminated and chemically strengthened
- Helm windshield is high “Thermal E” glass, laminated and chemically strengthened

Rails

- Stainless steel round hand rails on all exterior decks
- Solid PVC rubrail with stainless steel insert
- Bulwark doors port and starboard

Prices and specifications subject to change without notice.

Aft Deck / Transom Outfitting

- Deck self-bailing
- Flooring, teak
- Lighting, indirect
- Storage, side panels
- Speakers, overhead
- Overhead cockpit lights
- Storage compartments

Master Stateroom

- Bed with innerspring mattress
- Private access to head
- Carpet
- Overhead panels w/foam backing
- Fabric wall coverings, removable panels
- Direct and indirect lighting
- Receptacles: 120 VAC duplex
- Decorative sconces

Master Head

- Clothing bureau with drawers
- Medicine cabinet with beveled mirror
- Enclosed full size shower with seamless glass enclosure
- Headhunter marine toilet
- Towel bars, tissue holders, wall mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed halogen down lights
- AC duplex outlet/GFI protected
- Head, vacuflush, electric
- Recessed halogen lighting, DC
- Separate stall shower with automatic shower sump pump

Salon

- Overhead lighting
- Night light (2 each, red)
- Lighting low volts, halogen
- Custom interior
- Storage cabinets
- Salon carpet/pad
- Sectional sofa in Ultraleather
- Lounge chairs
- Sunroof, retractable hydraulic
- Wet bar includes refrigerator with icemaker
- Bar storage, cabinet with bottle and glass racks
- Flat screen TV
- AC duplex outlet/GFI protected

Galley/Dinette

- Microwave/convection oven
- Designer range hood
- Stainless steel appliances
- Refrigerator with icemaker
- Cook-top, recessed two-burner
- Storage cabinets, upper and lower
- Lighting, indirect
- Stainless steel sink with single lever
- AC duplex outlet/GFI protected

Furniture

- Choice of fabrics for upholstered furniture; choice of style of tables and chairs

Yacht Provisions

- Galley equipment, yacht equipment and housekeeping equipment provided; detailed list supplied at initial design consultation.

The following items are optional packages available with the OL 400 VIP:
Consult Factory Option Sheet for pricing and details

- **Boat Tender Package**
- **Exterior Teak Package**
- **Electronic Smart Glass Package**
- **Enhanced Audio Visual Package**
- **Enhanced Electronics Package**
- **Brownie Hookah Diving Package**
- **Sunbrella® Canvas Package**
- **Water Delivery Package**
- **USCG/Lifesaving Equipment Package**
- **Underwater lighting and camera package**
- **Reverse osmosis water maker**
- **Illuminated transom lettering**
- **Dishwasher**
- **Artwork and accessories**

Engine/Mechanical Options

- **Yanmar LY3 380/480 Hp**
- **Volvo D6/D9 400/500 Hp**
- **Choice of propulsion system**
- **Custom designed Hydrofoil - Increase in performance of 10-20%**
- **Aft Station**
- **Handheld Remote Control**

Delivery Preparation

- **Cost of fuel at time of delivery**
